TECHNICAL REGULATIONS

VEHICLE INSPECTIONS - All vehicles participating in this event must be inspected before being allowed to race. This inspection is to include safety equipment, vehicle numbers, general vehicle soundness, etc. Compliance with the appropriate requirements is the sole responsibility of the driver and/or owner. It is not the responsibility of the race track or tech officials to ensure that an entrant has all the required equipment. After the original inspection, a record of this inspection will be kept by Twisted Trails. The responsibility of obtaining a vehicle inspection lies with the driver or owner of the vehicle. Spot inspections may be made at any time. The final determination of suitability of any vehicle entered at a Twisted Trails event rests with Twisted Trails officials.
